Gearing Up for Kindness Makes A Difference Day 2011

October 31, 2011- (Yuma, Arizona)

The holidays are just around the corner and KIDS CuddleKit is gearing up to help even more kids in need of kindness! On Saturday, December 17th, 175 elementary school children in need of kindness from 24 Yuma area schools will be invited to Kindness Makes a Difference Day 2011. This annual event will treat the kids to a unique day filled with opportunities that many have never experienced - such as snow, Santa's workshop, face painting, Christmas Village and much more! Each child will receive a Holiday CuddleKit as a culmination of this special day which will include new shoes, hoodie sweatshirt, fleece blanket, and a gift from their wish list. To *pay the kindness forward*, the children will decorate cookies for a local nursing facility at one of the stations. The event will be held at the Christmas Village at the Quartermaster Depot State Historic Park from 10 a.m.-1 p.m.

For just **\$100** you can help sponsor a child to attend the event and receive a Holiday CuddleKit, sponsor 5 warm blankets for kids, or sponsor 15 stuffed animals. As a sponsor, you will be invited to attend the event on Saturday, December 17th to present a Holiday CuddleKit to a child and see the enjoyment on the kids' faces. Multiple families, churches or businesses may sponsor one child together. Additional sponsorship opportunities are available at various levels. KIDS CuddleKit is a 501(c)3 nonprofit organization and donations are tax deductible.

Volunteer opportunities for the event are also available. Call or email to get on our volunteer list. We are also looking people/groups interested in sewing pillow cases and tying fleece blankets.

Please contact Kristan at 246-9108 or e-mail Kids@cuddlekit.org with any questions or if you would like be a sponsor.
